

## Visiting Our Campus

We are delighted that you and your family are interested in Heathwood Hall Episcopal School. The best way to learn more about Heathwood Hall is to visit our campus. Throughout the year, you are invited to meet with an Admission representative individually, discuss your children, observe our classrooms, and tour the campus.

Campus visits provide an opportunity to meet our faculty and staff and speak with our Headmaster. We are always delighted to talk with interested parents and students about the quality educational opportunities that are available at Heathwood Hall Episcopal School.

We recommend that you schedule a tour during school hours. It is important for you to see our teachers and students “in action”. If it is not convenient for you to come during the school day, we are always happy to accommodate your schedule.

If you would like to schedule a campus tour, please contact Jane Beach, Director of Admission, at 231-7718 or [beachj@heathwood.org](mailto:beachj@heathwood.org).

We look forward to assisting you as you make this important decision for your child and family. We hope to see you on campus soon.
