### **GIRLS' VARSITY TENNIS TEAM CLAIMS STATE RUNNER-UP TROPHY**

Congratulations are in order for Coach David McMurtry and the Girls' Tennis Team, who ended an outstanding 17-3 season as the state runners up.

Last Saturday's SCISA state tournament match-up against Hammond in Sumter was as close as they come. Lauren Armstrong, Cleveland Covington and Caroline Lough all won their singles matches and Taylor Lunceford and Shannon DeLoach won their doubles match. Though the Highlanders came up just short on total points at the end, the team played Saturday the same way they have all year long: with great heart and enthusiasm.

Members of the team include Margaret Strom, a senior; junior Cleveland Covington; sophomores Catherine Roach and Taylor Lunceford; freshmen Lauren Armstrong, Lauren Glazer, Caroline Lough and Sarah Yeakel; and 7<sup>th</sup> grader Shannon DeLoach.
