

# HEATHWOOD HALL HIGHLANDER CLUB

3000 South Beltline Boulevard  
Columbia, South Carolina 29201

July 27, 2010

Dear Heathwood Hall Supporters,

Greetings and welcome back to another exciting year of Heathwood Hall athletics! We have much to celebrate from last year and are excited about 2010-2011. The upcoming sports season promises to bring more challenges and opportunities for our student-athletes to excel and continue to reach the highest levels of athletic achievement and success. The Highlander Club is the booster club for Heathwood Hall athletics. We work closely with the school to provide critically important funding to promote school spirit, equipment, training and athletic needs. Since every student at Heathwood Hall benefits from Highlander Club contributions and efforts, we believe that this is an ideal way to enhance our children's experience.

Interest in Heathwood Hall athletics has never been greater. Our students continue to compete for and win regional and state titles. Over 80% of our eligible student-athletes participate on school-sponsored athletic teams. With this level of participation, it increases the need for broader support for Heathwood Hall athletics from the overall community. Sports teach life long lessons of teamwork, commitment, failure and success that enhance the Heathwood experience of our children.
