

Upper School Playwriting Accomplishments 2005

Congratulations to Erica Richardson (11th grade) on her recent playwriting accomplishments.

Erica's original plays "Darker Than the Night" and "Wasp" have been selected for recognition as two of the top three plays in the state by the Palmetto Dramatic Association. Another play by Erica, "Follow the Eight-Fold Path," was selected as one of three honorable mention plays.

The placements of the plays will be announced, and one of Erica's plays will be performed by Heathwood students, at the organization's annual festival held at Lander University Feb 18-20.
