

Upper School Community Service Certification of Completion

2022-2023

This form should be used only by Rising 9th graders and students new to Heathwood who are performing summer service. In the fall, you will have access to MobileServe, our service tracking app.

Students are required to give **twenty hours** of service each year. Service may be performed the summer before the school year begins. Service credit will be granted for hours given in the spirit of voluntarism to a **nonprofit** (e.g., Red Cross) or a service-delivery (e.g., hospital) organization, as long as no remuneration is received. If a student is a member of an organization that expects service from its members (eg. scout project), hours may not count toward the school requirement. If a student has a question about the validity of a certain service experience, he/she should seek preapproval from Mrs. Hagstette (ehagstette@heathwood.org) before performing the service. The adult supervisor may not be the student's parent.

This form must be submitted within 30 days of the start of school. Forms may be emailed to Mrs. Hagstette or turned in to the Upper School office.
