

**Heathwood Hall  
Upper School Supply List  
2022-2023**

In the Upper School, we are often asked if we have a recommended school supply list. While we strongly believe that students in the Upper School should have the autonomy to choose the school supplies that best help them to learn and stay organized, we also recognize that families may want a little guidance. Below, please find **required** and recommended school supplies. For the recommended school supplies, feel free to substitute another product that accomplishes the same goal for your student.

**Required Supplies:**

- Personal laptop for students in grades 11-12. Click here for more information on the Bring Your Own Device Specifications.
- Texas Instruments TI-84 Plus CE Graphing Calculator is required, and will be used in every Upper School Math and Science course
- Lined Notebook paper
- Graph paper
- Blue, black, and red pens
- #2 pencils
- One 1-inch 3-ring binder for each academic class (usually 5 academic courses) or one larger 3-ring binder with dividers for all classes (5 core classes). Some teachers may prefer students to have a binder dedicated to their class.
- Composition notebook

**Recommended Supplies:**

- Locker shelves
- Assignment book - The Plaid Peddler does stock Heathwood agendas for \$8.
- Highlighters

- **Textbooks, Workbooks, and Novels**

Textbooks, workbooks, and novels should be rented or purchased from the virtual bookstore. The Virtual Bookstore will know your child's specific class assignments as we have populated placements. To access The Virtual Bookstore, go to [www.heathwood.etechnology.com](http://www.heathwood.etechnology.com). The bookstore will go live in mid July.
