HIGHLANDER CLUB MEMBERS

The Highlander Club is an integral part of the Heathwood community and provides essential support for Heathwood athletics. Meeting needs that fall outside the athletic department's regular budget, the Highlander Club has raised awareness of the importance athletics play in the lives of our children. Beyond financial support, the Highlander Club coordinates numerous activities and events, including concessions for all Heathwood football and basketball home games, production of the fall sports program, and the Wild Game Dinner. A significant number of individuals and supporters contribute countless hours of service to help make the Highlander Club and Heathwood Hall athletic programs successful. Thank you to all of our members and sponsors for your support!

THE HEATHWOOD AUCTION

Heathwood's 36th Annual Auction: Lights, Camera, Auction on March 14 was scheduled to take place in a new exciting venue with every detail of the evening planned to maximize community spirit and fundraising. With the rapid changes in circumstances due to COVID-19, so many uncertainties, plus the need to put the health and safety of our families first, we realized the event could not happen as it had for the last 35 years. The decision was made to cancel the gathering, but move forward with the Silent Auction and Fund the Need. The series of events that followed was inspiring! Staff and volunteers mobilized in an amazing way, communicating the change to all involved, safely packing hundreds of auction items and decorations to return to Heathwood, making new plans to create an exciting virtual event, and doing whatever had to be done for the school they love! The energy, excitement, generosity and commitment to making this night a success was phenomenal.

As a result, we raised \$75,680 during this year's Online Silent Auction, almost 20% more than last year's Silent Auction. Total dollars raised in Sponsorships, Advertisements, Lunch Raffle and Ticket Parties also exceeded last year's totals. Additionally, during the event and days following we met the \$20,000 goal for the Fund the Need to support Audio/Visual upgrades to the Rainey-Belser Auditorium. We are grateful to Jenny Brown, 2020 Auction Chair, for her motivation, persistence, and execution of new ideas that positively impacted the success of the auction. We could not pull the event off without an army of volunteers giving time and making contributions in different ways. Our sponsors, advertisers, and auction item donors are the ones that really make it all possible and we express sincere gratitude to the hundreds in this category that give each year. And, a big thanks to everyone who participated in the event!
