# A letter from the Athletic Director

Dear Heathwood Families,

I am thrilled to share this extensive sports program with you as we reach the end of the 2024-2025 athletic season to celebrate the accomplishments of our student-athletes, coaches, and staff, who are the essence of our Heathwood athletic experience.

With over 470 athletes competing throughout the school year across 23 sports programs, the excitement and energy that resonates through campus on any given night is indescribable.

I want to thank the coaches, parents, bus drivers, officials, athletic trainers, strength and conditioning coaches, facilities and maintenance staff, and faculty for supporting our 49 teams of students from 5th to 12th grade.

I'd also like to thank the Highlander Athletics Booster Club, who have tirelessly supported our athletic programs by donating over \$100,000 annually.

President Margaret Willcox and the HABC board have helped push our programs forward by providing the equipment they need to support the growth and development of athletes and meet the needs of our teams.

A student's athletic experience creates memories that will last a lifetime. I'm grateful for a community that fully supports our Athletic Department's journey to produce well-rounded student-athletes who've learned invaluable life lessons through their high school athletic experiences.

Go Hall!

Brionna Dickerson Zimmerman,  
Athletic Director

# A letter from our Head of School

## Dear Heathwood Families,

The 2024-2025 school year—and the accompanying three athletic seasons—have been transformative for Heathwood Hall.

Thanks to the generosity of so many Highlanders, we've successfully completed The Campaign for Enhancing the Student Experience. We've raised close to \$13M and completed \$25M in new construction and upgrades.

We have connected the Upper Gym to the Lower Gym—creating one Athletic Center—and the students are enjoying the 4,000 sq. ft. state-of-the-art strength and conditioning space, a 2,000 sq. ft. wrestling practice facility, and a new 1,000 sq. ft. athletic training room. Additionally, we recently broke ground on a golf practice facility that will feature a 360-degree target green for pitching and chipping, four synthetic tee boxes from various distances, an artificial turf putting green, two bunkers, and a 100-yard pitching runway.

To follow is a list of most, but not all of the upgrades to our athletic facilities:

- Four locker rooms in both the Upper and Lower Gym
- Baseball batting cage and backstop and new softball dugouts
- Second lighted competition field
- Digital scoreboards in Upper and Lower Gym
- Concessions stands near Stadium Field and Upper Gym
- Athletic Center Conference Room and the McVey Stadium Lobby
- Multiple re-imagined lobbies
- New exterior plaza and walkway infrastructure for visitors and spectators

This year, our athletic program has enabled students between 5th and 12th grade to compete on 49 teams across 23 different sports, providing an ever-increasing number of opportunities for our students to pursue their athletic passions. Within these pages, we showcase the dedication, skill,

and passion of the hundreds of student-athletes who proudly represented Heathwood Hall during the 2024-25 school year.

I am deeply grateful to our dedicated coaches, players, administrators, and trainers who uphold the values of excellence and teamwork. Special recognition goes to our Athletic Director, Brionna Zimmerman, and Assistant Athletic Directors, Drew Rowley and Eric Toedtman, for their unwavering commitment to our athletic program's success. I also want to acknowledge the invaluable support provided by Brian Benator, Brian Buscher, Perri Peraza, Curtis Player, Sarah Roth, JuLayne Shiflett, Stefani Walston, and Tymere Zimmerman.

I want to extend a special thanks to our dedicated Highlander Athletics Booster Club (HABC) and President Margaret Willcox. Margaret's tireless efforts and graceful leadership—in concert with the HABC Board's thoughtful support and diligent work—have helped to ensure that our athletes have the resources and support they need to thrive.

As we reflect on the achievements of the past year, I am grateful for the many ways in which our community comes together to support our athletes, coaches, families, faculty, and staff. I look forward to sharing many more triumphs with you all.

Best regards,

Chris Hinchey, Head of School

# We FOCUS on Workers' Compensation

Many personal injury law firms focus on civil claims, and handle workers compensation claims as a small part of what they do. At Lee Injury Law, we built our firm from the bottom up to focus on helping injured workers get their correct weekly pay, get the medical treatment they need, and get a fair deal to compensate for any permanent injury and disability. It takes a lot of hard work, every day, but every member of our team truly cares about helping our clients get through a tough time and get their lives back on track.
