

Transform Your Summer

2019 Summer Programs at Heathwood Hall

Welcome to Summer Programs 2019 at Heathwood Hall

We are excited to once again offer many wonderful opportunities for children of all ages to learn, explore, and have fun! From Highlander Day Camp to our dozens of specialty camps, Heathwood summer programs are designed to fit in with your summer schedule. Your child can attend for half days, full days, one week, multiple weeks or even the entire summer. We also have daily lunch offered as an option from local vendors. You'll find information about Highlander Day Camp and all the specialty camps we've scheduled to date below--but we're adding new camps all the time, so for a full listing and detailed descriptions of each camp (as well as to access our handy Summer Planning Worksheet), visit our website:

www.heathwood.org/summer.

Here's why summer at Heathwood can't be beat:

Our Programs are Diverse - Heathwood Summer Programs have been thoughtfully crafted to be developmentally appropriate for all students from age two through grade twelve. While students are engaged with STEM, sports, arts & crafts, academic enrichment, and adventure, we are mindful to support their physical, social, and emotional growth. The best part is that you can pair any morning and afternoon camps to appeal to your child's diverse interests.

Our Beautiful Campus is Conveniently Located - Just minutes from downtown Columbia with easy access to I-77 and I-26, Heathwood's buildings sprawl across 122 acres of wooded wetlands. It is a hidden environmental oasis that is truly one of the best-kept secrets in the southeast. Gardens, playgrounds, athletic fields, a ropes course, art studios, and innovative classrooms are waiting for you to explore!

The Summer Staff instructors are the most highly skilled, enthusiastic, and dynamic teachers in their fields. Specialty camps are led either by caring Heathwood faculty, local experts, or nationally renowned vendors who have all been carefully selected to provide the top-tier of excellence in teaching and learning. Counselors build a safe, nurturing classroom community where campers share their talents, make new friends, and create lasting memories.

Our goal is to provide a superior camp experience for your child while providing educational, flexible and affordable childcare and camp options for you. Please join us for all the excitement at Heathwood this Summer!

Sincerely,

Allison Rashley

Philosophy - CREDIT Course

Grades 11-12

06/15/2019 - 8/15/2019

\$400

Online

This course begins with a look at Socrates and asks similar questions of 6 famous philosophers who thought that philosophy was for everyone, and not just university professors and students. We will ask Socrates, Epicurus, Seneca, Montaigne, Schopenhauer, and Nietzsche a series of questions, beginning with "is there really such a thing as happiness, and if so how do we acquire it?" We will also take a look at what it might mean to be "good" and delve into how one might weather the headwinds of life. The course's work will consist of readings from three books, a number of videos, and occasional group discussions via the world wide web. There will be 8 assigned essays that will be used as assessments. Thoughtful and thorough are your bywords to success,

- Simon Blackburn, "Being Good" Oxford Press, 0-19-285377-5
- Alain de Botton, The Consolations of Philosophy, 9780679779179
- Marcus Aurelius, Meditations, 9781503280465
- Any edition, e-book, etc will suffice.

Course Dates: June 15 - August 15th

Your instructor is Bill Russell who worked in four independent schools for 25 years and who also taught at the United States Military Academy at West Point. This is his 10th year offering on-line classes.

All technical climbing gear is provided.

Throughout the week, campers are encouraged to climb higher and take on more challenges to take advantage of all the opportunities this camp has to offer!

Whitewater Kayaking

Grades 5-8
06/17/2019 - 06/21/2019

\$245
9AM - 12PM

Outdoor adventure at its finest! Campers will join Stan Wood and PEAK staff members for a week of whitewater kayaking! Learn paddle strokes and rescue techniques on the Heathwood pond, then move to the gentle waters of the Congaree for a river expedition. As skills and confidence improve, campers progress to Class I and II whitewater on the Saluda River. All paddle gear and transportation to the riverside classrooms is provided. The river venues in Columbia offer great opportunities for viewing wildlife, such as bald eagles, otters, cormorants, kingfishers, and a variety of aquatic animals. Throughout the week, campers are encouraged to

move beyond circles of comfort in order to take advantage of all the opportunities this camp has to offer!

Tsali, North Carolina Adventure (Overnight)

Grades 7-8

06/24/2019 - 06/28/2019

\$645

Overnight

Tsali Recreation Area, located in the Smoky Mountains of Western North Carolina, near scenic Nantahala River Gorge and beautiful Lake Fontana, serves as adventure base camp for the week where students camp in tents or ENO hammocks. Each day brings new and exciting immersive adventures as we raft several of the whitewater rivers in the area, including the Nantahala, Nolichucky and the Tuckaseegee, ride miles of exhilarating, lake hugging mountain bike trails that begin just yards from our campsite, fly through the Gorge canopy on a series of tree-top zip lines, paddle the smooth, pristine waters of Lake Fontana in touring kayaks and paddle boards, and hike as Lilliputians through the old-growth hardwoods in the Joyce-Kilmer National Forest.

We prepare our own meals in camp with an occasional trip into Bryson City for pizza or a late night ice cream run. Expedition dates are M-F, June 24-28. Cost is \$645 and covers all outfitter expenses and meals in camp. All adventure gear (for rafting, zip lining and paddling) is provided; participants must bring their own mountain bikes and helmets. Tents and group cook gear is also provided. However, participants must bring their own ENO hammocks (optional), and sleeping bags and pads.

Deep Desert Summer Expedition (Overnight)

Grades 9-12

07/24/2019 - 07/28/2019

\$975

Overnight

The Deep Desert Summer Expedition is designed for high school students (rising 9th-12th grade) who are interested in hiking and camping in some of the most beautiful places on earth. The Grand Canyon, Monument Valley and Meteor Crater offer spectacular panoramas and opportunities for exploration in three of the most iconic locations in the American southwest. The expedition hikes deep into the Grand Canyon, following the Kaibab, Tonto and Bright Angel Trails. With a little strategic planning, and a lot of luck, a cabin may be secured at Phantom Ranch on the Colorado River at the bottom of the Canyon. Regardless, the group travels through eons of time as the expedition winds its way along the canyon wall from the South Rim. The expedition also travels to Monument Valley, located on the high red sand desert of the Navajo Indian Reservation. With its towering sandstone buttes, this Tribal Park has been a popular filming location for many movies including Forest Gump, Cars, The Lone Ranger, and Mission Impossible II, just to name a few. Monument Valley is located near the Four Corners area where an opportunity awaits for the group to stand in four states, Arizona, New Mexico, Utah and Colorado — all at the same time! Meteor Crater, the site of a meteorite impact that produced a crater nearly a mile across and over 500 feet deep, offers a unique opportunity for hiking and exploration, as well. On this expedition, participants embark on a series of hikes that offer an opportunity to explore each of these exciting locations. Campsites will be established that allow access to the unique pristine wilderness that exists in this region of the United States.

Cost for the trip is \$975 plus airfare. Group camping gear is provided, including tents, cook stoves, pot sets. The PEAK program has a limited number of backpacks, sleeping bags and sleeping pads available for loan.

This course is designed for those who want to be on the water but aren't necessarily interested in racing. Adventure Boaters will be introduced to a variety of boats including: Club 420, keelboat, Optimist, catamarans and Open Bic. We will also explore navigation, boat mechanics, environmental awareness and will take sailboat trips to local points of interest.

This class is perfect for the child that loves the water and experiencing it in a variety of ways. This is an inspired alternative to the conventional racetrack route and builds a foundation for lifelong sailors.

Columbia Scuba: Padi Open Water Diver Certification

Grades 5-12

06/17/2019 - 06/21/2019 & 07/08/2019 - 07/12/2019

\$450

9AM - 12PM

If you've always wanted to learn how to scuba dive, discover new adventures or simply see the wondrous world beneath the waves, this is where it starts. The PADI Open Water Diver course is the world's most popular scuba course, and has introduced millions of people to the adventurous diving lifestyle. The PADI Open Water Diver course consists of three main phases:

- Knowledge Development (classroom, home study or online) to understand basic principles of scuba diving,
- Confined Water Dives to learn basic scuba skills,
- Open Water Dives to review your skills and explore!

Prerequisites: To enroll in the PADI Open Diver course or Junior Open Water Diver course, you must be 10 years or older (PADI eLearning requires a minimum age of 13 years due to international internet laws).

The Fun Part: The fun part about this course is... well, just about all of it because learning to dive is incredible. You breathe underwater for the first time (something you'll never forget) and learn what you need to know to become a certified diver. During the course, you'll make at least five pool dives and four dives at local dive sites under the supervision of your PADI Instructor.

The Scuba Gear You Use In the PADI Open Water Diver course, you learn to use basic scuba gear including a dive computer, and standard accessories. The equipment you wear will be chosen by your COLUMBIA SCUBA Open Water instructor to ensure your comfort throughout the course.

Columbia Scuba will provide students with a regulator, BCD, computer, weights and all air fills necessary to complete the course. Wetsuits are available for rental.

Students need to begin class with their own snorkel set, which should include a scuba mask, fins, booties and a snorkel. The most important thing about personal gear is that it fits and is comfortable. Let us know if you would like for us to custom fit you with your own gear!

Transportation during the course: Parents or guardians will need to arrange for student transportation to and from training activities.

Columbia Scuba: Padi Seal Team

Grades 2-7

\$369

06/17/2019 - 06/21/2019

9:30AM - 1PM

This summer, introduce your child to the awesome experience of SCUBA Diving during Columbia Scuba's Seal Team SCUBA Camp! Each day, campers will complete Aqua Missions in the pool, where they develop SCUBA skills through fun, challenging underwater activities and games. Campers will learn about marine life identification, complete underwater obstacle courses, and log their activities and progress, just like SCUBA divers. This is a pool-based program, so campers will *not* be diving offshore. Seal Team SCUBA Camp will culminate in a pizza party on Friday to celebrate campers' new skills! By the end of the week, participants age 10 and older will be ready to jump right into their PADI Open Water certification class. Each camper is required to bring a well-fitting set of Mask, Snorkel and Fins. Discounted Snorkel Packages are available to campers at Columbia Scuba's shop. These items **MUST** be acquired before camp begins. Each day, campers should arrive with a positive attitude, and bring along a healthy lunch, refillable water bottle, sunscreen, swimsuit, towel, hat and change of dry clothes. Seal Team SCUBA Camp is **\$369 per camper**, which includes all pool and swimming fees, SCUBA rental equipment, games and activities, and an end-of-camp pizza party.

PLEASE NOTE: If a camper answers "YES" to any of the questions on the required [PADI Medical Form](#), you MUST contact Columbia Scuba (803) 788-9166. You will need to schedule a doctor's appointment and complete additional medical paperwork for your child prior to the start of camp.
